INVITATION

The University of Library Studies and Information Technologies welcomes scientific paper presentations to the 21st National Scientific Conference with International Participation Knowledge Society and 21st Century Humanism, dedicated to the Leaders of the Bulgarian Revival. In 2023, the conference is dedicated to the 200th Anniversary of the birth of Nayden Gerov.

The aim is along with the celebration of the day of the Leaders of the Bulgarian Revival to provide an opportunity for the academic community to acquaint themselves with various thematic knowledge areas. The conference materials will be reviewed and published in the Electronic Proceedings Knowledge Society and 21st Century Humanism, which is on the reference list of NACID (The National Center for Information and Documentation).

Each participant has the right to submit one standalone paper and one joint paper. Each author is to review up to two papers which are part of his/her area of competence.

Dates and place of conference:

- *Official opening and plenary session* – **1st November 2023**, 11.00 a.m. at the National Library St. St. Cyril and Methodius (Sofia, bul. „Vasil Levski“ № 88).
- *Parallel thematic sessions in sections* – **1st November 2023**, 1.30 p.m. at the University of Library Studies and Information Technologies (Sofia, 119 Tsarigradsko Shosse Blvd.).

Thematic areas:

Section 1.	Literature and Humanism
Section 2.	Cultural Heritage – history, modernity and perspectives
Section 3.	Information Technologies and Knowledge Economy
Section 4.	Security – challenges in the 21 st Century
Section 5.	University Youth Academy on Knowledge Management – a section for students, PhD students and young scientists

Working languages: Bulgarian and English

Important dates and deadlines:

10.05.2023	Deadline for application and paper
15.05.2023	Corrections after recommendations for technical layout
22.05.2023	Review committee notes on submitted paper
01.06.2023	Final edited paper submission

For application: <https://forms.gle/Yz1u1aWgVgcwTAVS8>
