CRITERIA AND RECOMMENDATIONS FOR THE POSTER SESSION

1. The poster should comply with basic rules and requirements for making an academic poster. [appendix 1].

2. The format is A3 horizontal orientation (42 width by 29,7 height).

3. Content and layout are a personal concept. [appendix 2].

4. Presence and personal presentation of posters are obligatory.

5. The committee looks at the posters, assesses the presentation and speaks to the author(s).

6. Posters could be standalone or in joint authorship.

7. Each participant can be one standalone poster author and one joint poster author.

8. Posters are printed out by the authors in advance.

9. Posters should be readable enough from a distance of 1,5 m.

10. Participants should submit their posters in a printed form no later than 22.10.2023 to a member of the organizing committee.
